July 22, 2013

Dear Second Grade Parents and Children,

Welcome back to a wonderful new school year. I feel grateful to join Mountain Oak Charter School for the opportunity to co-create a joyful, enriching learning experience with you. Second grade will be a year filled with fun, learning, creativity and growth. The second grade curriculum features stories from the legends, animal fables, nature studies, multiplication and division as well as continued reading and writing skills, music, movement, math, painting, beeswax modeling, handwork, form drawing and Spanish. The educational focus of this year will build on last year's experience, will reflect each child's development and will be carefully woven throughout the year to create a rhythm to promote growth for your child.

I would like to invite you to a dinner potluck at the school on August 16th at 5:30 p.m. for all of us to get acquainted. I will provide plates and utensils.

Below is a list of supplies that your child will need to bring on the first day of school. Please label all personal items clearly with your child's name. When shopping for school clothes, keep in mind the clothing policy from the student handbook. The handbook can be found at www.mountainoakschool.org. I look forward to meeting all of you.

Warmly,

Miss Harris
