- The bus may sometimes be late or a tad bit early
- Children in 2nd grade and below will not be allowed off the bus until an authorized adult is present to receive them. *The charter school bus is leased by several charter schools. Mountain Oak School's portion is $4000 per year. If your child rides the bus donating $50 to $100 toward transportation would be greatly appreciated. At this time the school is reviewing a sliding scale fee schedule for bus transportation. If the fee schedule is approved by the board, the donation will be transferred to the individual account. Thank you.
