8th Grade Graduation 7pm in the Middle School House

Dear Mountain Oak School,

The time has come to say goodbye to the 2010-2011 school year. The Mountain Oak community has successfully accomplished exciting advancements in the growth of the school:

First, the school garden at Burnin' Daylight Farm brought the ability for families and classes to work together to prepare, plant and produce food to enjoy and sell at the Farmers Market;

Second, the long awaited acquisition of school property, a place of our own to call home;

Third, a donor gifted marketing plan to include a new website that will enable school communication to better meet and serve the needs of the community.

These accomplishments were only possible because parents truly care about Mountain Oak School and want to see sustainable progress and see the community grow stronger. The implementation and continuation of these projects will need the support of parent body to assure success. Please watch the emails over the summer to see when and how you can help to make sure Mountain Oak School continues to be successful. Thank you families, teachers and community for taking right action to make our school all that it can be.

Warmly,
Cindy Roe
Principal
