Dear Families of the new 7th Grade!

I do hope your summers are full of relaxation, fun and more. I have been on a 4,000-mile road trip to the Midwest, I was born there, and have landed back in Prescott. It was great to see our beautiful country in many different states.

Although it is still weeks away, **the first day of school is August 20, Monday**. As the summer progresses I would like for the students to be aware of the supplies they will need for their desk and use the attached list to help the adults in their lives help them be organized, ready and relaxed for the new school year. There is also a list you will receive from Mt Oak School that provides for school-wide needs: Xerox paper, tissues, etc. This is more an adult responsibility, whereas the student's personal supplies can be, in part, their responsibility.

7th graders, I suggest you pick a spot in your room for your backpack so as the supplies you will need are purchased you can slip them into the pack. Then come the week before school you will have what you need and be organized too!

Our first **parent meeting will be Wednesday September 11** in the seventh grade classroom at 3:15. We will make sure good notes are taken for those not present. We have a fresh new year! Please come and be informed if it is at all possible.

When I know the date the wall move construction will be done I will be in touch about who can **help paint the newly-sized room**.

Thank you and Blessings on your summer,

Miss Beck
