This years Silent Auction was exceptional, the snow kept some people away but we still had a good showing for this fun community event. A big, big thank you to Anna Marx, Jessica Campbell and Maureen VanWalleghan for the hours of work to make the event a fun-filled evening for all. Another BIG, BIG thank you to all the parents and friends of Mountain Oak who donated items to make the event successful. After the remaining items are bid on, a final tally will be posted. Start planning to come next year. It is a lot of fun!
