SCHOOL GARDEN PROJECT UPDATE

Exciting things are happening in the school garden! The peas are slowly climbing their bamboo trellis, the potatoes are showing their first green growth, our garlic is standing tall and green, shoots of gladiolous are popping up, and the radishes and salad greens are ready for harvest. In April, we created a spiral herb garden, a sunflower house, a teepee and a pea trellis. In May we will be doing more planting as we transplant our starts of tomatoes, peppers, eggplant, summer squash, cucumbers and basil. There have been helpers from kindergarten through 6th grade creating this wonderful space for all to enjoy, so please come experience the joy of gardening with the children of Mtn. Oak every Wed. 1-4pm and Sunday 11-3pm. Contact Sunshine Reilly for more info reillyshine@msn.com or 308-2923

PRESCOTT FARMERS MARKET OPENS SATURDAY MAY 14th, 7:30am to 11am

Mtn Oak School will have a marketing booth for the opening day of the Farmers Market to exhibit our school garden and let the community know about our wonderful school. Please come visit as we will be doing a free event for the children where they can paint a 4" terra cotta pot and plant a seedling of basil to take home. (Sponsored by PFM and Burnin' Daylight Farm) If you would like to volunteer to help with our school booth please contact Sunshine Reilly or Gena Hahn. Thank You!
