

Mountain Oak School's

THE TUESDAY

⊗ August 31, 2009 ⊗

Dear Mountain Oak School Community,

Parent Association needs you! Vital for the healthy function of Mountain Oak School, the parents who lead the following areas of community life do more for the students and teachers than many people realize. If you participate you can play a supportive role or take the lead. Following are the areas that PA works in:

Social Activities: bringing a social element to existing events or planning new avenues of community gatherings. pot lucks, teas, interest groups

Parent Partnership: calling in the troops to support the functions of the school; (all parents agree to 35 volunteer hours a year)

Parent Education: bringing opportunities for the community to learn about Waldorf Education and about Mountain Oak School

Festivals: organizing, implementing the existing plan for the festivals

Marketing: spreading the word about Mountain Oak School and events

Communication: getting the word out

Fundraising: organizing, delegating the existing fundraising events: Music for Wonder, Student Fundraiser, Valentine's Day Silent Auction, Tax-credit drive, Annual Giving and Capital Campaigns

Facilities: keeping the campus looking good and helping out with minor repairs and installments

Care Group: taking care of one another; welcomes, good-byes, bereavement, extra assistance in times of need.

All of the above committee descriptions utilize the Parent Partnership (35 hours of volunteer time needed by the school from the parents). Many hands make light work and what better place to help but at your child's school.

Mountain Oak School can only be as good as the people who help it along. It takes more than one person, more than two people, more than three, it takes everyone. Hope you can help.

Please come to the first Parent Association Meeting this Thursday at 5:30. Childcare is not usually provided at these monthly meetings but for the first one of the year, MOS will provide childcare for \$3.00 per child.

Warmly,
Cindy Roe
