

THE TUESDAY

March 3, 2009

Dear Mountain Oak School Community,

Often in the history of Mountain Oak School there has been the desire and movement to purchase our own land and buildings. The most recent campaign to buy this land began in the school year 2006/2007. By late summer of this school year the attempt to purchase the current facilities was not successful. Once again Mountain Oak has a site committee that is in the first stages of developing short term plans and long range plans for purchasing property at a new location yet to be determined. In looking at properties it is helpful to have information from the families at Mountain Oak. Please fill out the attached survey and return it to the office or your child's teacher by March 13. The more

surveys returned the better the data will be. Eventually Mountain Oak will be successful in owning a place we can call our own. If at first you don't succeed try, try again.

If you would be interested in joining the site committee we are looking for some team members. You do not have to be a lawyer, realtor, banker or contractor, simply a parent who wants to help. It is not hours of work at this stage. We are in the data gathering and first phase planning stages. Please join the team and help with the future.

Sincerely,

Cindy Roe

- ▼ **Dear Mountain Oak Community,**
The 8th Grade Class is finalizing the plans for the class trip this spring. We were unable to raise the funds needed for Costa Rica. However, we do have enough for a nine-day-educational extravaganza in Washington, D.C. We hope to take a short jaunt up to NYC as well, but this will cost us about \$1100 more. The students and I wish to thank you all so much for your support and best wishes. We hope for your understanding with regards to changing the destination.

Thank you,
Jeffrey Holmes & the 8th Grade Class.

- ▼ Come see what the **Parent Association** does for the school. The spring 09-10 Parent Association members will be appointed at class meetings. Come participate in a meeting to see what we are doing. This Thursday, 03/5/09 @ 5:30pm downstairs.
