

THE TUESDAY

June 2, 2009

Dear Mountain Oak Community,

Thank you to all the students, families, faculty and staff for making Mountain Oak School's tenth year a success. The smiles and warm embraces that are shared in the last week of school are memories in the summer sunshine of accomplishments and successes. It is the community that makes the school what it is. Your time, energy and thoughtful intentions are the supports of today and the building blocks of the future. As you pass by on Gurley, come by the campus and water a plant or two, sweep the dust away or say hi to those of us installed in the office. It won't hurt a bit and the campus gnomes will appreciate the company. Have a wonderful summer.

Warmly,

Cindy Roe
