Cynthia Roe, Principal

Dear Mountain Oak Community,

There are many acknowledgements to make for the success of last Friday's festival. What a fabulous dragon this year. The third grade parent's handy work made this year's dragon exceptionally beautiful and vigorous. The Faculty would also like to thank Tracie Himes from Parent Association and the class parent reps for organizing such a great day. The harvest feast was plentiful thanks to all the families. Thank you to the class parents for planning such fun game stations and organizing the parents in each class to participate. It was a great day for everyone.

Two ways you can participate as a parent in the life of the school. This Thursday is a Parent Association meeting and a Board meeting. This week, the meeting for both groups is at 5:30. Parent Association meets on the first Thursday of the month. The Board meeting schedule for

2008/2009 will be posted this week. Come and observe to see how the process of these two important bodies of the school functions. We need members for both the Board and the Parent Association.

When the students return from fall break they will participate in a 9 week block of Eurythmy. The class will take place during the scheduled games class for most students. If you, as a parent, have the opportunity to come to participate in Eurythmy during a parent evening, please take advantage of the offering. It is a wonderful form of movement that benefits everyone.

On behalf of everyone at Mountain Oak we hope you enjoy the refreshing days of Fall Break.

Warmly,

Cindy Roe

8TH GRADE CLASS TRIP COSTA RICA

The 8th graders will be having a bake sale each Friday after-noon.

The students are working very hard to raise a large amount of money needed for their class trip. Their goal is to end the Mountain Oak School journey with a scientific exploration of one of the world's most biologically diverse ecosystems.

Please help support their efforts.

Building PRESCOTT PARK

FOR THE CHILDREN OF PRESCOTT'S SISTER CITY, SUCHITOTO, EL SALVADOR

In 2007, the City of Prescott and Suchitoto, El Salvador joined together as "Sister Cities." A "Sister City" relationship can be whatever the cities wish it to be. The leaders of the City of Prescott have visited Suchitoto to look at ways to help each other. One way the City of Prescott is helping is by rebuilding the only public park in Suchitoto so that children in their community can again play and have fun! The original park, soon to be named "Prescott Park", was destroyed in the early 2000's by war and an earthquake.

Our school is one of the schools in Prescott that is working with the Sister City organization to raise the \$14,000 needed to rebuild the park.

- Opportunity:** Have fun and contribute to pay for a park at Prescott's Sister City – Suchitoto, El Salvador. And, have a piece of you in another country!
- Why:** The over ½ acre children's park was destroyed by earthquake and war in the early 2000's.
- What:** A "Prescott Park" wall to protect the park will be made from 6"x6" tiles purchased and decorated by students and citizens of Prescott, AZ.
- When:** Use this activity as a celebration of CHARACTER COUNTS! Week--**October 6 – 30, 2008** (tiles for sale and ready to paint))
- Where:** Ace's Pottery Paintin' Place, 404 W. Goodwin 928-717-2182
- How much:** \$25 per tile. Go to Ace's to purchase and decorate the tiles. \$22.50 will be donated directly to the Park... your work of art will be there for the world to see.
- Why:** The best way to find yourself is to lose yourself in the service of others.
