

# THE TUESDAY

November 4, 2008

**Cynthia Roe, Principal**

Dear Mountain Oak School Community,  
The turn-out for the pumpkin festival was wonderful. Thank you to all the families for supporting this event. Many families were able to credit their parent partnership hours with time that was spent at or preparing for this festival. Please make sure you mark the log book with your volunteer hours. We had lots of happy, creative faces on the pumpkins. Some even looked like a few teachers. Many of you had to wait a long time before walking the path. The Parent Association, festival team has some good ideas to shorten the wait time for next years' event.

Three weeks until the Fall Assembly, the classes will be showcasing some of the activities they do in class. There will be Eurythmy demonstrations and much more. The location of the assembly will be in next week's *Tuesday*.

The end of the first grading period is November 21. You will be receiving a report the first week of December and Parent Teacher conferences are scheduled for the first week of December. Watch for more details on how to sign up for that.

Please remember no one is on campus before 7:45. Please make certain your children are safe by not dropping them off before 7:45.

The shorter days and longer nights remind us to keep a warm light burning. Community warmth and a light heart can carry us through any dark night. Hope to see many of you at the Lantern Walk this coming Monday.

Warmly,

*Cindy Roe*
