

# THE TUESDAY NEWSLETTER

Issue 35 May 10, 2011

Mountain Oak School Board approved the purchase contract for the back 3.8 acres at 1455 Willow Creek Road. Congratulations everyone! Over the past several years many families at Mountain Oak School have contributed time and money to help land the school a new home. Finally we have success.

Our goal is to start school August 23 at the new site. The calendar has a start-up date that is later than the usual rhythm, the school chose the later date so we have additional time for the preparation and move to the new site. If you think you will need child care the three weeks prior to the start of school please fill out the short survey in this *Tuesday*.

We will need the help of each family for the transition to the new site. Please sign up in the office for jobs; you can help with packing, moving, clean-p and new site preparation. You can find the volunteer jobs in the office, at year end class meetings and events. A general site plan will be displayed at year end events for everyone to enjoy! Watch the Tuesday and your email for more detail about the move.

#### 4th -8th GRADE MUSIC ASSEMBLY TODAY!

6pm at the Willow Creek Property. 4th & 5th graders please arrive at 5:20pm, 6th– 8th graders please arrive at 5:45pm. All are welcome to watch!

#### NO PARKING ON VIRGINIA ST. THIS THURS.

Final chip seal paving is to take place all day this Thursday, May 12. When possible please try to avoid Virginia St. There will be NO PARKING any where on Virginia St. Please bring your extra patience and kindness for this last (really!) day of road construction inconvenience.

**HELP WITH DUR EXCITING MOVE!** Parent Association is seeking help to organize the move to our new site. We would like to have a parent from each class be the coordination person to assist the teachers to organize and pack the classrooms up. This will also be needed for the specialty classes, special ed., office and facilities. Please contact Gena Hahn at 602 750-5461 to be a member of this great team. Remember," Many hands make light the work!"

### FARMER'S MARKET OPENING DAY THIS SAT.!

7:30am to 11am at Yavapai College. Mtn. Oak will have its booth there showcasing our beautiful garden project as well as our wonderful school. We will be offering a free activity for all the children who attend to paint a pot and plant a seedling. So, tell your friends and stop by. We will be having the booth once a month May through October and if you would like to volunteer one Saturday that would be great too! Please contact Gena Hahn or Sunshine Reilly.

# Childcare Before School Starts Survey

Most summer programs for children in Prescott are no longer available during the month of August. Mountain Oak will begin classes on August 23rd. Mountain Oak will offer childcare if enough parents need it. We need to hear from Mountain Oak families for planning purposes. Please let us know if you are interested in enrolling your child(ren) in a Mountain Oak Summer Camp available August 3rd through August 22nd. The cost for this program will be about \$15 per day.
